

## Spring 2012 Community Groups

Community Groups of The Church in the Center are small groups of people who meet in homes weekly to provide friendship, prayer support, Bible study, and a forum for finding real answers to your questions about faith and life. Community Groups will be the primary place where relationships are formed, discipleship occurs, and where we share a common life together. All groups are open to the public and will keep an outward focus as we seek to welcome new people continually and seek ways to serve the community.
